Software Developer GTA, ON|
sabin.banjara@mohawkcollege.ca | LinkedIn Profile

PROFILE: Motivated and detail-oriented Computer System Technician - Software Support student at Mohawk College, seeking 4 - 8 months Co-op starting from January 2026 to gain hands-on industrial experience and to apply software and networking knowledge learned in my program to assist in enhancing organizational efficiency.

HIGHLIGHTS OF QUALIFICATIONS

- Proven ability to troubleshoot and resolve hardware, software, and network issues, developed through academic labs, projects, and IT support experience.
- Knowledgeable in Active Directory, cloud computing, IT systems administration, and Windows Server environments.
- Experienced in using service ticketing systems such as ServiceNow, Freshdesk etc., and providing end-user technical support with multitasking.
- Excellent technical, analytical, and problem-solving abilities developed through IT coursework and collaborative projects.
- Practical experience supporting and configuring hardware and software, including troubleshooting new PCs, laptops, and mobile devices (Windows, iOS).
- Strong problem-solving and communication skills, with proven ability to work independently, in teams, and fast-paced environments.

WORK EXPERIENCE

a. IT Specialist at Atlantic Packaging Products Ltd. January 2026 – April 2026

- Supported Infor LN ERP users across manufacturing, purchasing, and finance, resolving 25+ tickets weekly.
- Assisted with ERP and CRM integration using SQL queries and automation scripts, saving 5+ hours weekly.
- Provided Tier ½ support and managed Active Directory and Microsoft 365 access for 150+ users, helping sustain 99% system uptime.

b. Level 1 IT Service Desk Technician at Fleming College October 2024 – January 2025

- Resolved hardware, networking, and software issues for 30+ weekly users, ensuring 95% first-contact resolution and minimal downtime.
- Supported deployment and maintenance of applications and tools, gaining experience in system configurations, software installs, and data security practices.
- Documented incidents in ServiceNow, escalating complex cases to higher tiers, and contributing to accurate reporting ad knowledge base growth.

c. Freelance IT Solutions Analyst – Fiverr May 2024 - Present

- Resolved 15+ client technical issues per month, including website fixes, productivity tool guidance, and software troubleshooting.
- Provided remote troubleshooting and technical support for client's homes and small office networks.
- Achieved 100% client satisfaction rating by delivering clear communication, accurate solutions, and on-time results.

VOLUNTEER EXPERIENCE

a. Orientation Ambassador at Mohawk College 2nd September 2025

- Assisted 200+ students with campus resources, technology tools, and academic events, ensuring a smooth transition.
- Strengthened teamwork and leadership skills while supporting peer success initiatives.

b. Asset Management and IT support at St. Lawrence College Feb 2022-Mar 2024

- Provided IT support to college staff and students, resolving password, hardware, software, and network issues efficiently.
- Assisted with printer inventory, system updates, and routine troubleshooting to maintain smooth operations.
